

Thank You!	vii
Before You Begin...	viii
1. Introduction.	1

PART 1: WHAT YOU NEED TO GET READY TO BLAST YOUR BENCH

2. Understanding Basic Exercise Theory and Training Variables	3
Selecting Exercises	3
Compound vs. Isolation Exercises.	3
Free Weights vs. Machines	4
Determining Training Volume and Intensity.	4
Volume	5
Intensity	5
Weight and Repetitions	5
Utilizing Rest Time Between Sets	5
Understanding Your Body's Energy Systems	6
Adenosine Triphosphate and Phosphocreatine Energy System	6
Lactic Acid Energy System	7
Aerobic Energy System	7
Maximizing the Length of Your Training Sessions	7
Establishing Training Session Frequency	8
Determining How Often to Train Body Parts	8
Setting Repetition Speed	9
Ensuring Progressive Overloads	9
3. Eating for Maximum Size and Power	10
The 3 Necessary Micronutrients	10

Meal Frequency	11
Sample Eating Plans	11
Sample Daily Eating Plan 1	12
Sample Daily Eating Plan 2	12
Sample Daily Eating Plan 3	13
Sample Daily Eating Plan 4	13
Sample Daily Eating Plan 5	14
Basic Supplements	14
Protein Powders, Meal Replacement Powders, and High Protein Bars	14
Multivitamins	14
Vitamin C	15
Creatine Monohydrate	15
Nutrition Charts	16
Breads, Cereals, and Grains	16
Dairy Products	17
Seafood	18
Fruit and Fruit Juices	18
Meat and Poultry	18
Vegetables	19
Nuts	19
Oils and Sauces	20
4. Benching for Maximum Poundage	21
Mastering Proper Bench Press Technique	22
Finding Your 1-rep Max	23
How to Determine Your 1-rep Max	24
1-Rep Max Chart	24
How to Use the Chart	25
Determining How Much Weight to Lift for Specific Workouts	26
Sample Weights to Use for the Various Workouts	27
5. Preparing to Start the Program	30
Program Overview	30
Warm-up Exercises	30
Arm Circles	31
Push-ups	31
Arm Rotation for the Rotator Cuff	31
Bent-over Dumbbell Flyes	31
Bench Press	31
Cool-down: Stretching	31
A Word About Training Partners	32
6. The 2-Week Preparatory Workout Routine	34
Workout 1: Chest, Shoulders, and Triceps	35

Workout 2: Back and Biceps	35
Workout 3: Legs and Abs.	36

PART 2: THE BLAST YOUR BENCH PROGRAM

7. Understanding the Blast Your Bench Workouts and Assistance Exercises	38
Introduction	38
The Blast Your Bench Workout Schedule	39
Week #1 – Bench Press Workout	39
Week #2 – Bench Press Workout	40
Week #3 – Bench Press Workout	40
Workouts Discussion	40
Training Volume and Frequency	44
The Assistance Exercise Routine	44
Bent-over Dumbbell Flyes	45
Bent-over Barbell Rows	46
Standing Dumbbell Curls	47
Ab Crunches	48
Squats	49
Standing Calf Raises	50
Assistance Exercise Workout Schedule	51
Additional Information	51
8. The Blast Your Bench Workouts	53
Warm-up Routine	53
Week 1	54
Week 2	56
Week 3	59
Modified 3-Day-Per-Week Blast Your Bench Routine	61
9. Retesting Your 1-rep Max Bench Press	62
How to Determine Your New 1-rep Max	62
